No. 15

Easter Sunday

12 April 2020

**HAPPY EASTER**  
*from St Thomas' Parish  
He Is Risen!*

Dear Parishioners, this year has been an interesting one. No doubt the way we perceive reality will change going forward. Now, perhaps we can understand better the only constant in our lives-- the Risen Lord Jesus. He took our sins on himself, paid the penalty and restored hope to us. Today as we celebrate the victory of the Risen Lord Jesus without which our reflections and faith are in vain [ 1 Cor. 15:14], the tremendous meaning given to live is this: when tempted to give up, what revives us is the Easter message of life emerging from the grave. All we now see is victory and triumph. *Lord Jesus, we praise your name both now and forever*[ Psalm 113:2]. Happy Easter to us!

*Fr Christopher*

Easter is a season of hope. More than at any other time in our recent history our world is in need of this Easter message of hope. Pope Francis calls “To the pandemic of the virus we want to respond with the universality of *prayer*, of *compassion*, of *tenderness*. Let us unite. Let us make our Closeness felt to the people who are most alone and most deprived”. In the darkness of this crisis, the light of Christ will shine. As a community of strength and love let us be comforted by prayer. Here at St Thomas’, we are most certainly a community of HOPE. Hope is not just a possible outcome that we desire, but a genuine commitment to Hold On because Pain Ends, as we see so clearly in the Easter story. *On behalf of the Parish Pastoral Council* I wish you peace and serenity for your families. Whilst we cannot celebrate the Eucharist physically together we hope that this time of reflection be one which finds you spending precious time with your families or in peaceful seclusion.

Caroline Sarra, Chair—Parish Pastoral Council

*On behalf of our parish liturgy team, I wish you peace and every happiness this Easter. In this most Holy Week of our liturgical calendar, even with the upheaval and uncertainty that our world faces at this time, that God loves each of us and gives us many blessings each day. We just have to notice them. I hope that you have the opportunity to relax and spend time with loved ones, whether in person or online, and share with you a sentence that has stuck with me in recent days: “Hope is the promise that all will be well.”*

Amanda Sheridan - St Thomas' Parish Liturgy Team

**Christ is risen, alleluia!** The resurrection of Jesus brought a change and the glory of new life to his disciples. Before the resurrection, they were scared and hiding behind locked doors but afterwards, their faith was renewed and strengthened.

In the midst of the challenging situation surrounding the coronavirus and the uncertainty we are facing, let us hold on to the hope that no matter what lies ahead or how bad things may seem, we have a God who conquered everything even death and who is always there to help us. Amid the gloom and uncertainties, there is always a reason to be hopeful that everything will be alright. May the blessings of the risen Christ remove all our fears, strengthen our faith and fill us with joy. On behalf of our Parish Sacramental team, CLOW leaders and Altar Servers, I wish you, your families and loved ones a Blessed Easter!

Sr. Analissa, Children's Ministry Coordinator

This will be an Easter unlike any other we've experienced. This Easter message of new life reminds us that while we are experiencing a difficult time now, the current health crisis will end and we will resume our lives. This Easter, may you find peace in your family and those close to you. I'd like to take the opportunity to thank you all for your continued financial support of our Parish. Your support, both financial and in many other ways, helps make St Thomas' what it is. On behalf of the Parish Finance Council, I wish you all a Happy Easter.

Anthony Oostenbroek, Chairman - Parish Finance Council
