To everyone, I'm delighted to welcome you all to another Parish BBQ weekend after Saturday evening Mass.

When the decision to have such Parish celebrations was made, our aim was to muster a community sense of hospitality and friendliness. I'm impressed by the number of people who have RSVP'd. I believe events such as this provide an example of how Parishes should remain relevant even nowadays.

Overall, it is the increased potential in connectivity, identity, and friendship, which Parish events such as this inspire - in it's members, their priest, and indeed, the Parish school - that we celebrate today.

I thank the gentlemen and ladies who helped cook and organise our tables for the event. I appreciate the generous members who brought salads and sweets for us. And to the hands who worked behind the scene, I say, Thank You, for your help in making another Parish evening a superlative success.

God bless every one of you. Amen.

Fr Christopher

"Volunteering is the ultimate exercise in democracy.
You vote in elections once a year,
but when you volunteer, you vote every day
about the kind of community you want to live in."

~ Unknown ~

At St Thomas' we are very blessed with a wonderful group of volunteers who certainly help shape our community into one that people want to live in. We appreciate their time and talent beyond measure.

There are so many ways to be involved in our parish and we ask each of our parishioners to consider whether you may be able to contribute your time and talent in some way.

Some areas we currently need more volunteers include:

- Setting up for Mass
- Reading during Mass
- Ministering Communion during Mass
- Operating screens.

**Most of these involve a commitment once per month
and training can be provided.**

Volunteering forms are available at the back of the church with a full list of the many ministries and groups in the parish.

**Please contact the Parish Office if you have any
questions or would like to know more**
