GOSPEL FOCUS by Greg Sunter

'The other nine, where are they?' asked Jesus. Why would the other nine not have come back to give thanks? It is insufficient to say that the miraculous healing these men experienced changed their lives. Being healed of this disease meant so much to them: they could return to their families; they could return to work; they could touch another person; they could walk among other people; they could join in prayer at the synagogue. As they hurried back toward town they must have been overwhelmed by the possibilities and opportunities that lay before them. But they neglected to acknowledge the source of their great joy!

Learning moments

Compile a list of all the things in your life for which you are grateful to God. Write a litany of thanks (e.g. For ..., I/we give you thanks) and use it as part of your prayer time this week.

*Thank
You!*

We thank Fr Pan for celebrating Mass with us
over the past 3 weeks.

*God's blessings on you, and thank you
for all you do in the service of God.*

DO NOT FEAR for I am with you

Next weekend our parish will be holding the annual Catholic Mission Church Appeal. This year we are invited to partner with the Church in Ghana, as they provide ongoing protection and development of children who are vulnerable.

In line with traditional beliefs, in parts of Ghana, children born with a disability, or whose mother passes during childbirth, are considered to be 'spirit children', and thus at risk of being harmed or killed. The Church in Ghana is dedicated to protecting these children and educating families to ensure every child has a chance to live a full life. Next week you will learn more about Sister Stan and the Nazareth Home for God's Children, which is leading these efforts in the diocese of Yendi.

You will be offered the opportunity to personally partner with the Church in Ghana as a monthly giving partner, with all gifts specifically directed to life-saving projects for children in need – please come
